Check your electronic timing chip number corresponds with your race number. Your timing chip must be worn on the outside of your LEFT ANKLE with the soft side of the strap against your skin. Please follow these simple steps to wear your chip correctly.

1. Thread the loose strap through the timing chip and securely fasten the Velcro.
2. The chip should be secure on the strap and the number visible.
3. Place the strap around your LEFT ankle with the chip on the outside of your ankle.
4. Give the chip a firm pull, it should remain securely fastened.
