Sign up for the Marie Curie

Without amazing people like you, we couldn't be there for families through the toughest of times, supporting them when a loved one is dying.

Raising money to help our nurses makes such a difference. Every penny means they can provide more care – at home and in our hospices.

Why choose Marie Curie

Every day of a life matters – from the first to the last. That's why the right care at the end of your life is so important.

We're here for people living with any terminal illness, and their families.

We offer expert care, guidance and support to help them get the most from the time they have left.

Every £20 you raise will pay for one hour of Marie Curie Nursing care.

With your help Marie Curie can provide more care and support to people living with a terminal illness and their families in their own homes or one of our nine hospices.

Join our Triathlon Team

and we will send you a Team Marie Curie fundraising pack including a running vest to wear

“We will be proud to have you on our team”

“Thank you for supporting us and good luck with training & your fundraising!”
